**HCDA Report to the Kakaako Makai Community Planning Advisory Council (CPAC)**

1. State Office of Planning (OP) has approved SMA permit for the Environmental Remediation and Interim Parking project.
2. HCDA has forwarded the request from CPAC members to meet with the representative of Ocean Investments (OI) to OI. CPAC will be informed when a response is received from OI. HCDA staff is still reviewing the application for development permit for OI.
3. University of Hawaii (UH) and its consultants are preparing to present the Cancer Research Center of Hawaii (CRCH) project to the HCDA board at its February meeting. HCDA staff has requested that UH and its consultants also make a presentation to the CPAC at its February meeting.
4. Mitsunaga & Associates, Inc. has been selected as the consultant for the Department of Safety, Sherriff's Division Interim Facility project. CPAC will be provided the opportunity to comment on the project once a schematic design is developed.
5. HCDA is getting ready to issue the notice to proceed to the contractor for the repair works at Kewalo Basin, Kakaaako Waterfront, and Gateway Parks. Repair work is expected to start by the middle of February.
6. HCDA is preparing for repairs work at the AAFES building. Most of the work includes repair or replacement of air conditioning equipment and repair of spalling concrete on the exterior of the building.
