### 909 Kapiolani offers retail space

**Posec Hawaii Inc.**, the developer of the 909 Kapiolani residential high rise in Kakaako, is selling four commercial retail units at the project for an undisclosed price.

The four spaces, combined, offer 4,500 square feet on the ground floor of the 36-story high-rise condominium. Each will offer an outdoor lanai area, with first floor parking stalls set aside for retail customers.

909 Kapiolani houses 227 one-, two- and three-bedroom apartments in addition to penthouses. Buyers began moving into the condo in late August.
