SUBJECT: Kalaeloa Status Report

I. Kalaeloa Community Development Rules

1. HCDA staff sent requests letters to area leaders to represent or appoint a representatives to the Kalaeloa Advisory Team (KAT). Cynthia Rezentes is representing the Wai'anae Neighborhood Board as the first KAT member. The formation of the KAT will be completed by October 2007 and the first training session is tentatively scheduled for the first week of November.
2. HCDA staff met with Kathy Sokugawa from City and County Department of Planning and Permitting to discuss the Kalaeloa Master Plan and the strategies for establishing the administrative rules.

II. Public Safety and Security Issues

1. The Kalaeloa Public Safety (KPS) group met on Thursday August 16, 2007, and Honolulu Police Department (HPD) reported on August 6, 2007, in a coordinated effort with City and County (City) Parks, Department of Land and Natural Resources (DLNR), U.S. Navy, Humane Society, and State Sheriffs issued 95 citations for expired camping permits, issued 58 citations for illegal activity, served 16 warrants, removed 5 tons of trash and illegal structures, 15 vehicles were towed away, removed 16 dogs and 1 cat. HPD announced in order to maintain current condition their first and third watches will enforce the "no camping" days every Monday at 8:00 a.m. this was added to the regular patrol rotation. HPD requested City Parks bring in the equipment to recondition the sand. U.S. Navy security also mentioned the enforcement of open fires on the beach will help to minimize the charring. Navy legal reported a 50 percent reduction in crime from August 6th to August 16th since the revitalization measures were conducted.

2. The next KPS group meeting is on Thursday September 20, 2007 at Kapolei HPD 9:30 a.m.

III. Kalaeloa Community Network (KCN)

1. The KCN met on Thursday August 9, 2007. Members reported the curb painting work is still being completed at the Ft. Barrette entry way. Also the new signage designs were circulated to the attending members for final comments in addition to soliciting comments from the Kapolei Hawaiian Civic Club, and Authority Member Enomoto (see Exhibit A).
2. HCDA staff announced Haseko Hawaii Inc. will be off loading from Kalaeloa Harbor armor stone boulders and traveling through Kalaeloa

district beginning August 27, 2007, 24-hours a day. Haseko requested HCDA staff work with them to determine the safest route through the district. Every effort has been made with Kalaeloa Airports and Hawaii National Guard to avoid the heavily populated and traveled Roosevelt Road. Also Haseko has agreed to repair anticipated damaged roads and all necessary safety measures (i.e. flag men, gate monitors, speed limits, etc.).

3. The next KCN meeting is scheduled for Thursday, September 13, 2007.

IV. Administration

1. As a follow-up to Member Timson's request HCDA staff contacted DHHL, Navy, and Hawaii Public Housing Agency (HPHA) requesting that they provide a monthly status report on new and ongoing lease activities in Kalaeloa. According to Hawaii Revised Statutes 206E-194 (7) land use and redevelopment activities within the district shall be coordinated with and to the extent possible complement existing county and state policies, plans, and programs affecting the district. Lynn Tanaka (Navy) and Brian Johnson (HPHA) participate in the monthly meetings and Noel Akamu (DHHL) submitted the updated tenant's list (see Exhibit B). Also Kaulana Park was asked to appear at the September meeting to provide status on the Leeward Coast Initiatives on Homeless.
2. As a follow-up to Member Timson's requests for a Kalaeloa newsletter HCDA staff will dedicate half of the Kakaako newsletter to Kalaeloa matters in the September edition. HCDA staff will send the newsletter via email and will mail to the Kalaeloa community who do not have email addresses listed in addition to Kakaako's address list.
3. As a follow-up to Member Enomoto's request the Save Our Race Track (SORT) organization is presenting plans for the Department of Hawaiian Home Lands site located at the corner of Coral Sea and Tripoli Roads.
4. On August 8, 2007, HCDA staff met with Sharene Tam Vice President, for Haseko Hawaii Inc. to discuss their shipment of armor stone from China to be used to line the borders of their proposed marina is projected to arrive on Friday, September 6, 2007. Haseko is projecting a three week 24/7 off loading schedule. The off loading route Haseko proposed was through Malakole gate at the West Perimeter road into Kalaeloa, proceeding along Midway, north on Enterprise, right onto Roosevelt, right onto Coral Seas, and left onto Tripoli. HCDA staff raised the concern of noise and traffic along the heavily traveled Roosevelt Road and asked Haseko to look at alternative routes. HCDA staff coordinated and

attended meeting with Department of Transportation and Hawaii Army National Guard on the possibility of utilizing less invasive routes through the Kalaeloa Airport and/or through the Hawaii Army National Guard site. Lieutenant Colonel Marjean Stubbart expressed that the National Guard wants to be a good neighbor and since the timeframes are tight she committed to walking the Haseko requests letter through the proper channels to the appropriate decision makers.
